Our instructor is away the first 2 weeks of March so classes will be on March 16 & 30 this month.
 Lynn Penko is determined to dispel the myth that aging is only a time of loss. In these classes creativity, enthusiasm and her skill set result in a fun-filled class with no shortage of giggles!
 Just a reminder from her that even in this bitterly cold weather when we can't get out and about that wall push ups and sit to stands are something you can do in your own living room!
